

BRENT STOP THE WAR

End the occupation

Against the occupation in Iraq? Like to work with a local group?

Brent Stop the War was set up after the atrocity of September 11th 2001, and the British and US governments' warmongering reaction. We campaign for peace rather than aggression. Anyone living or working in or around Brent is welcome to join the group.

We believe that war with Iraq was no solution to terrorism or to Saddam Hussein's development of weapons of mass destruction – if indeed they ever existed, which is becoming increasingly difficult to believe, even for those who supported the war.

Since the end of the war we have been campaigning against the occupation of Iraq, the attack on civil liberties throughout the world, and the increasing Islamophobia.
